SIR,

Sub :- BUDGET - BUDGET ESTIMATE - HOSPET MUNICIPALITY -
ELEMENTARY EDUCATION FUND - 50 - 51 - SUBMITTED.

I beg to submit herewith in duplicate the Revised Estimate for 49 - 50 and Budget Estimate for 50 - 51 relating to the Elementary Education Fund of this Municipality with the necessary enclosures, together with a copy of my note to the Council d/4-1-50 and a copy of Council's Resolution NO: 2 D/24-1-1950 approving the Budget Estimate with the following remarks : - -

The main features of the Revised Estimate for 49-50 and Budget Estimate for 50-51 have been explained in detail in my note D/4-1-50 to the Council. The note may kindly be read as part of this letter. The Revised Estimate for 49-50, is expected to close with a deficit balance of Rs.3289/- and the Budget Estimate for 50-51 with a heavy deficit balance of Rs.14233/- . In spite of all possible efforts made the account could not be rendered self supporting. To meet the deficit year after year large sums have been diverted from the arrear Toll compensation. With the advent of the orders of the Government NO: 1097 L.A D/ 2.6.48 there is no possibility of the diversion aforesaid for the current and future years. In view of the above circumstances the Council has resolved to request the Government to sanction a grant equivalent to the expenditure incurred by the Municipal Council by way of Dearness Allowance to the Elementary Education staff every year. In as much as there is no other possibility to wipe out the deficit under this account, the request made by the Council for the grant is reasonable and deserves favourable consideration. During the years 49-50 & 50-51 sums of Rs.9100/- & Rs.9750/- respectively are expected to be spent towards Dearness Allowance to the Elementary Education staff. It is therefore, requested that the Government may be pleased to pass early orders sanctioning the grant requested for by the Council to enable this Council to wipe out the deficit under this account and also to provide additional equipment, furniture, teachers etc., which are at present curtailed to the barest minimum for want of funds.

Council on elementary education fund revised estimate for 49-50 and budget estimate for 50 - 51.

The year 1949-50 was expected to open with a surplus balance of Rs.6749/- as per the budget estimate for 49-50, but actually the account opened with a surplus balance of Rs.7779/-. Though the year 49-50 opened with a surplus balance of Rs.7779/- the account is expected to close with a deficit balance of Rs.3289/- in view of the fact the expenditure to be incurred comes to Rs.33362 as against the anticipated receipt of Rs.22294/-. This fund is not a self supporting fund and year after year large sums are diverted from the general resources. In the year 47-48, the education tax was raised from 1½% to 2½% per annum from 1-10-1947 and the Government have also sanctioned a grant of Rs.4200/- to meet the expenditure under dearness allowance and Rs.1200/- as advance to meet the deficit. In addition to this a sum of Rs.2219/- was adjusted from the arrear toll compensation. Again in the year 48-49 the complete amount of Rs.12994/- being the arrear toll compensation sanctioned for the year 48-49 was utilised to wipe out the deficit under this account. In spite of all efforts taken to make this fund a self supporting one proved futile and the Municipal Council is obliged to find ways and means to meet the growing expenditure under this account. While adopting the budget estimate for 49-50 as approved by the Government the Council in its resolution NO:209(1)/30-5-49 requested the Government to sanction a recurring subsidy of Rs.8000/- per year. The Government were approached for sanctioning the grant and the matter is still under correspondence with the Government. A perusal of the receipts and expenditure for a period of three years will reveal that the receipts under this account fall short by Rs.100,00/- nearly per year to meet the expenditure.

YEAR. (1)	RECEIPTS. (2)	EXPENDITURE. (3)	HOW DEFICIT WIPED OFF. (4)
47-48	18752	24610	1. 4200 grant. 2. 1200 loan. 3. 2217 arrear tolls.
48-49	21710	30040	1. 12994 arrear tolls.
Revised estimate 49-5	22294	33362	
Budget estimate 50-51	22758	33702	

In view of the fact that the receipt under this fund fall short by Rs.10000/- per year to meet the expenditure, the request of this Council to the Government to sanction a recurring grant of Rs.8000/- per year is reasonable. This abnormal expenditure is mainly due to the payment of dearness allowance and the Government may be requested to come to the aid of this Municipal Council by sanctioning grant equivalent to the expenditure incurred under dearness allowance from this fund.

The budget estimate for 50-51 is expected to open with a deficit balance of Rs.3289/- and the budget year is expected to close with a heavy deficit of Rs.14233/-. The anticipated receipts during 50-51 is Rs.22758/- and the anticipated expenditure is Rs.33702/-.

Thus the account is expected to close with a heavy deficit of Rs.14233/- at the end of the year 50-51 and there is no possibility of wiping out the deficit from any other source except by way of Government grant in as much as the Government has stopped the payment of arrear-toll compensation which has been utilised in the previous years to wipe out the deficits. So, the Government may be requested to sanction a grant of Rs.9100/- for 49-50 and Rs. 9750/- for 50-51 i.e., the anticipated expenditure under the head dearness allowance from this fund and the Government grant will enable the Council to balance its budget.

In spite of the growing expenditure provision has been made in the revised estimate for 49-50 for the appointment of one additional higher grade teacher for the Hindu Elementary School from 1-12-49 and for the appointment of one additional higher grade teacher each for the Devangapet school and muslim girls' school as there is need for the additional staff. On the budget estimate for 49-50 the Director of

1. B. E. for 1950-51 - Elementary Education Fund -
Municipal Council, Hospet

From the Council, Hospet Municipality

No. 8279 / 49 / B. E. D 4-2-1950

From the Director of Public Instruction

No. 46 B3 / 49-50 D 28-2-1950

The R. E. for 1949-50 and the B. E. for 1950-51 of the Elementary Education Fund of the Municipal Council, Hospet call for the following remarks:-

2. R. E. for 1949-50:-

(i) The credit taken for Grant-in-aid under Section 37 of the Elementary Education Act should be revised to Rs 4349.

(ii) The expenditure on "Salary" exceeds the Budget allotment. It is due to the grant of S.A. to the staff and also to the increased provision made under "Repairs to buildings" and "Furniture and apparatus". This may be approved.

(iii) Revised i.e. the suggestions above the R. E. is anticipated to close with a deficit of Rs 2776. The Council asks for a S.A. grant of Rs 9,100. It will be sufficient if a grant of Rs 2776 is sanctioned. It may be requested to examine whether the deficit can be wiped off by an additional contribution from the General funds. If this is not possible, the question of granting a subsidy will have to be considered.

3. B. E. for 1950-51:-

(i) The credit taken under Section 37 of the E. E. Act may be revised to Rs 4,349 (same as in the R. E. for 1949-50)

(ii) The B. E. is anticipated

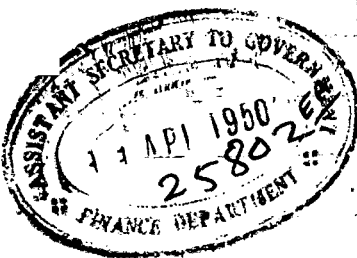

close with a deficit of Rs 10,495. This is due to the payment of D.A. to municipal staff at enhanced rate. The Council requests for a grant of Rs 9750 to meet the deficit. It will not get any additional contribution under the recent decision of the Government. The rate of Education tax levied in this municipality is 2 1/2% p.p. and the rate of Government contribution is 1 1/3% p.p. If the tax is increased by 1% an additional income of Rs 3000 may be anticipated. The Council will then get an additional contribution of Rs 1800/- under Section 37 of the Elementary Education Act. Still there will be a deficit of Rs 5695 and it may be requested to examine whether any further contribution from the General funds is possible to wipe off this deficit. If this is not feasible, the question of sanctioning a subsidy will have to be considered.

L.A. have agreed to make an additional
 contributions of Rs 2,776 and Rs 5,695 from the
 General fund to the Elementary Education fund
 in the R.E. for 1949-50 and the B.E. for 1950-51
 respectively. The rate of Education tax levied in
 this municipality is 2½% of property rentals per annum
 or 13 8/39% of property tax per annum and it is
 proposed to increase the tax to 3½% of property rentals
 per annum or 19 4/9% of property tax per annum, in
 order to avoid the large deficit in the B.E. for 1950-
 '51 of the Elementary Education Account of the municipal
 Council. L.A. have agreed to this proposal.
 A draft order is submitted. The file may be circulated
 to HH (ELL) and HH (LA) for approval
 para 3(1) of the draft.
